## **Summer Programme comes to a close**

Only two events left with places. Select these links for information and to book a place. The first event is particularly relevant as climate change is still a “hot topic”. Forgive the pun!

[\*\*Climate Crisis. Some Solutions. Friday 19th August\*\*](#)

[\*\*Discovery of Australia Friday 26th August\*\*](#)

For all these events you are welcome to **bring a friend** as a way of introducing them to u3a. Just book your own place and then email [\*\*Sue Butler\*\*](mailto:Sue.Butler@icloud.com) ([\*\*drsbutler@icloud.com\*\*](mailto:Sue.Butler@icloud.com)) with details of your guest. They also attend for free.

**Walking Cricket:** An initial meeting will be held **2pm on Friday 19<sup>th</sup> August** in the Town Partnership room on Mercury Row, Otley. (Walk with the bus station on your right for about 15 yards. It's the blue door set back from the road next to the barbers.) Free parking in Sainsbury's. Tea and coffee facilities and toilets.

Email Liz Billings at [\*\*helenliz@talktalk.net\*\*](mailto:helenliz@talktalk.net) or phone / text 07918 610614 if you would like to be kept informed, and have comments or suggestions to make etc.

You may also be interested to [\*\*read this article on the u3a Third Age Trust website\*\*](#) about how walking cricket is being developed elsewhere in Yorkshire.

**Front Room Films:** A new Zoom-based film discussion group starts Monday 24th October from 1:30pm to 2:30pm and every fortnight thereafter. This is a second film discussion group to be established in a short period as the first one proved so popular.

Two weeks before each meeting a readily available film on a non-subscription service (usually BBC iPlayer or All4) will be chosen. Group members watch the film at their leisure and then meet via Zoom to discuss the film. Both iPlayer and

All4 carry a significant number of non-mainstream and/or foreign language films, so we plan to explore some of the lesser-known film selections.
