

Our thanks to Christine Walton who organised a wonderful Northern Towns visit to Gargrave on Thursday 25th August 2022.

Our guide from the Gargrave Heritage Group provided some fascinating details as we wondered through the village.

Details of Robert Story the schoolmaster and Harry Ward, the Yorkshire birdman plus other information can be found [on this link to the Heritage Group website](#)

The attached photos show the village hall that was once the village laundry, the lock on the Leeds to Liverpool canal and the interior of the parish church.
