If you haven't yet led a visit, perhaps you could be thinking of somewhere you could take us in 2021. Here are some suggestions: Pudsey, Huddersfield, Liverpool, Whitby, Scarborough, Selby, Castleford,the choice is yours! You could repeat a visit or organise a half day visit.

Do speak to those who have led a visit already. I'm sure they will tell you that it was an enjoyable experience. We'll give you as much help as you need with planning, transport, costing etc.
